Key Personnel Assignments

Research & Technology Directorate

Business Support Team

Charles E. Harris, Director Steven G. Reznick, Deputy Director Jerome T. Kegelman, Deputy Director, R&T Test Operations John B. Malone, Deputy Director, R&T Program Implementation

Brenton W. Weathered, Chief Engineer for Airborne Systems W. Keith Belvin, Chief Engineer for Structures and Materials William L. Sellers, III, Chief Engineer for Aerodynamics, Aerothermodynamics, and Acoustics Edward R. Generazio, Agency NDE Specialist

Configuration Aerodynamics Branch

Laurence D. Leavitt, Head

Lynn D. Curtis, Head

Structural Mechanics and **Concepts Branch** H. Kevin Rivers, Head

Dynamic Systems and Control Branch Carey S. Buttrill, Head

Computational Aerosciences Branch

Mujeeb R. Malik, Head

Structural Acoustics Branch Kevin P. Shepherd, Head

Gas, Fluid and Acoustics

Research Support Branch

Nondestructive Evaluation Sciences Branch William P. Winfree, Head

Flight Dynamics Branch Daniel G. Murri, Head

Flow Physics and Controls Branch

Anthony E. Washburn, Head

Aeroacoustics Branch

Applied Technologies and Testing Branch Charles A. Poupard, Head

Crew Systems and Aviation Operations Branch Lisa O. Rippy, Head

Advanced Sensing and Optical Measurement Branch Kenneth D. Wright, Head

Advanced Materials and Processing Branch Joycelyn S. Harrison, Head

Charlotte E. Whitfield, Head

Structural Dynamics Branch Jill M. Marlowe, Head

Electromagnetics and Sensors Branch Harry F. Benz, Head

Aerothermodynamics Branch

N. Ronald Merski, Head

Aeroelasticity Branch Stanley R. Cole, Head

Safety-Critical Avionics Systems Branch Raymond S. Calloway, Head

Hypersonic Airbreathing Propulsion Branch

Kenneth E. Rock, Head

Durability, Damage Tolerance, and Reliability **Branch**

Jonathan B. Ransom, Head
